A Peek at what we are learning:

English Language Arts: Continued

- This week we will continue with our classroom novel *James and the Giant Peach* (Chapters 19 to 21 and Chapter 22 to 24)
- More work on adjectives, adverbs and noun practice, which also includes properly capitalizing and writing on the lines
 - For example, adding adjectives to expand noun phrases
- Starting our first descriptive writing assignment, which includes writing using paragraphs, indenting, appealing to the five senses, and both peer and self-editing prior to submitting
- Continue reading lessons on how to effectively summarize and also stop to check for understanding when reading as this will help us answer those RIGHT THERE QUESTIONS and now also THINK AND SEARCH QUESTIONS

Mathematics:

- Writing decimals as fractions.
- Writing fractions and decimals.
- Equivalent Decimals.
- Comparing and Ordering Decimals.
- Adding and Subtracting Decimals.

Science

- Circulatory system : Diversity of the Circulatory System and Keeping The Circulatory System Healthy.

Note : Any in-class work not completed during the allotted time will become homework.

Social Studies:

- This week we are continuing our Canadian Government Unit,
- We will also take a deep dive into the 3 BRANCHES of the Canadian Government, which include the Executive, Legislative and Judicial. More Specifically, the Monarchy, House of Common, and the Senate
- We will continue to compare and contrast between the Canadian and Qatari governments and how the different levels of government are run and power distributed

Other:

- Tasks set out for all other subjects (Art, PE, Character development and Technology) will be completed in class and on Google Classroom.
- Please note that tasks for all subjects are assigned according to the schedule. Tasks need to be completed and submitted on time or they may not be graded

Please contact your child's teachers with any questions or concerns using Plus Portal or Email.
