

# HUBS

## WAAG - Week at a Glance

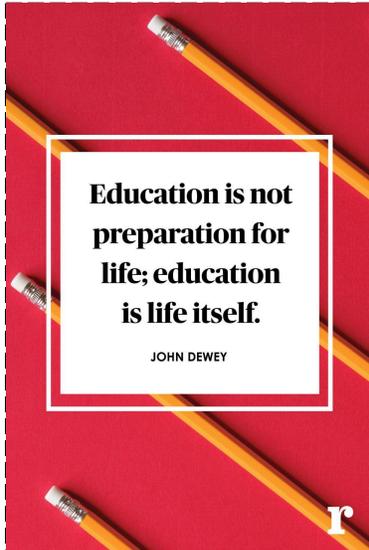

### Grade 5 Boys

September 10th to 14th, 2023

## Announcements

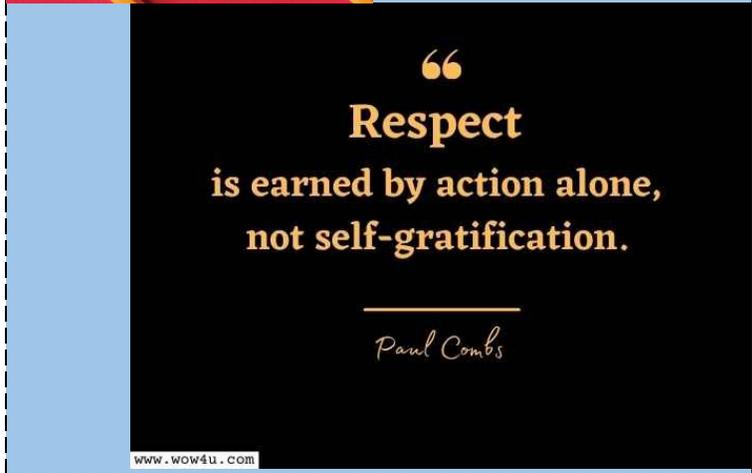

- Homework and assignments will be assigned on Google Classroom. Remember to read all instructions and complete any assignments in a timely manner.
- Please remember that Literacy Pro is expected to be used every evening for at least 15 minutes, gentlemen
  - Reading is not considered homework, but merely a daily activity that should by now be a part of your daily habits (i.e brushing your teeth)
  - If you have any questions or concerns, please let your home teacher or Mr. Shahram know and we will help you sort this out
- Last but not least, any in-class work not completed during the allotted time will become homework

## Upcoming

**Education is not  
preparation for  
life; education  
is life itself.**

JOHN DEWEY

“  
**Respect**  
**is earned by action alone,**  
**not self-gratification.**

# A Peek at what we are learning:

## English Language Arts:

- This week we will continue the mini-conferences for each student with Mr. Shahram
- One conference will focus on format and the writing basics
- The second conference will be about reading levels, abilities, and strategies to enter the next level of reading achievement and confidence
- The third conference will focus on writing, grammar and overall abilities and next steps :)

This week we are continuing to work on the basic foundational mini-lessons on the writing expectations. This includes but is not limited to writing format, grammar, paragraph writing, email writing etiquette. Furthermore, the importance of listening skills and the ability to follow instructions are discussed, modelled, and demonstrated in a variety exercises. Last but not least, we will be introducing our novel for the term!

## Mathematics:

- Mental Mathematics
- Word Problems on Multiplication
- Cumulative Review
- Cumulative Test
- Multiplying 2 a digit numbers

## Science:

- Musculoskeletal System
- Diversity of the Musculoskeletal System

## Socials:

In Social Studies this week, we will be continuing to review our continents, and oceans. Thereafter, we will discuss the importance of geographical location for the country when it comes to natural resources and cultural differences. Furthermore, we will introduce our Canadian Government Unit

## Other:

Tasks set out for all other subjects (Art, PE, Character development and Technology) will be completed in class and on Google Classroom.

Please note that tasks for all subjects are assigned according to the schedule. Tasks need to be completed and submitted on time or they may not be graded

**Please contact your child's teachers with any questions or concerns using PlusPortal or Email.**
