Notes

Dear Parents,

Welcome you to our new academic year! We will try our best to make this year as smooth and successful as possible.

We would like to inform you that on Tuesday September 15th, we will be having "Show & Tell" during the English zoom class. Please have your child's favorite toy ready.

Also, on Thursday September 17th, we will need you to have your child's pack of play-dough and some art materials ready for the Science zoom lesson.

Looking forward to seeing you during zoom classes! If you have any questions, feel free to contact your child's teacher at any time during the school day.

Thank you,
KG 1 Staff
