Aseel Initiative Message

Our Partners in Responsibility. Our duty to guide our children in prayer begins when they reach the age of seven, in accordance with the Prophet Muhammad, peace and blessings be upon him, who said: “Command your children to pray when they are seven...” This is a stage of gentle preparation with love and encouragement, during which the child practices performing the five daily prayers. Over the course of three years of continuous reminders, the child receives approximately 5,475 prompts to pray, making this gentle and consistent repetition a firm foundation for instilling a love of prayer in their heart and fostering their steadfastness in performing it.
