Thump! Thump! Thud!

Illustrate the story here:

Thad and Cath go on a jog at camp. They have six paths to pick from. They pick the fifth path.

Thump! Thump! Thud! "What was that?" asks Cath. Thad looks and sees a big rock on the path. "This rock fell from that hill. That was the thud," says Thad. "Both of us were in luck that we did not get hit!" says Cath. "Let's go on the sixth path back to camp," says Thad.

Thad and Cath jog back to camp. At camp they grab a wet cloth to wash off. "That was a fun jog," said Thad.

My Sloth Smells!

Illustrate the story here:

I have a pet sloth. He is as soft as cloth, but he smells of filth. I have him sit in a lot of baths. But he still smells of filth! If I do the math, this next bath will be his tenth. As he goes in the tub, I add thick suds to help the smell. It did the trick! He smells of fresh grass, not filth.

With the bath in the past, we sit and grab snacks. I had a small plum, and my pet sloth had twigs with buds on them. We were so glad the bad smell left!
