Our Partners in Responsibility

Let us explain to our children the concept and forms of physical bullying and emphasize the importance of avoiding it to protect themselves and their peers. We should also teach them that bullying does not only harm the victim, but also makes the bully unpopular among their peers, causing them to lose trust and respect, as well as opportunities for friendship, cooperation, and support from others.

- Please ensure all students arrive at school on time, so as to ensure classes start promptly at 7:00 AM.

Please check your Google Classroom daily for any updates.

Remember to read daily for 20 minutes and complete your vocabulary sketch for the week.

Upcoming Events

Monday, 20th October Science Common Assessment
