- **Brotherhood Initiative Message**
- Our Partners in Responsibility. Let us explain to our children the concept and forms of physical bullying and emphasize the importance of avoiding it to protect themselves and their peers. We should also teach them that bullying does not only harm the victim, but also makes the bully unpopular among their peers, causing them to lose trust and respect, as well as opportunities for friendship, cooperation, and support from others.

- Please bring in **essential** equipment that was on your supply list.
- 7G1/7G2 Please bring a **lock** for your locker
