Message from the Ministry

To our dear Parents;

Let us teach our children to act wisely in bullying situations they witness, based on the saying of our Prophet (PBUH) **"Support your brother, whether he is the oppressor or the oppressed."** We should explain to them that supporting the oppressed involves standing by them and reporting any harm they suffer, while supporting the oppressor means preventing them from continuing their aggression and guiding them toward the right path. In this way, we create a school environment characterized by justice and compassion, where every student feels safe and respected.
